

## **RFQ 09 08: Entrepreneurial Training Curriculum Expansion and Delivery Questions and Answers, Part 1**

Question 1: Two questions have been submitted requesting clarification about eligibility to apply for the RFQ, specifically regarding affiliation with the Small Business Administration (SBA).

***Answer 1: Information included in the RFQ detailing organizations eligible to apply (p.3) still stands. In addition to those agencies, the SBA has clarified that organizations approved by Employment Security as Self-Employment Assistance Program (SEAP) training providers may also apply as well as organizations who are SBA grant recipients and provide technical assistance and training to entrepreneurs.***

Q 2: We currently provide our trainings in King County, but not in Snohomish County. Is providing trainings in Snohomish County a requirement?

***A 2: Yes, agencies are expected to deliver training in both King and Snohomish Counties, regardless of the home office location.***
